Subject: Asbestos Dump Site Millington, NJ

Dear Mr. McKnight:

This correspondence will serve to confirm our phone conversation today in which we agreed to a date of December 6, 1983 for submittal of the first draft of the Asbestos Dump Site Work Plan.

In addition, please find attached a trip memo summarizing our site visit on November 2.

In the event that I do not hear otherwise from you by November 23, I will assume that the December 6 due date is acceptable to Region II.

Very truly yours,
